SH-37 Top Case

Shad

Shad's new SH-37 includes a transparent two-colored reflector with a red band on the frontal part. The new graphical image of the brand can be seen in the Shad logo, highlighted thanks to Kromex technology, giving the case a modern look and practical finish.

Sure Sellers:

- Press Lock System allows for easy opening and closing
- Enough storage capacity for two open-faced helmets
- Color Change system lets the user change the existing color insert in a matter of minutes

Retail Price: starting at \$179

150cc Eco-Smart Engines

Vespa USA

Piaggio has equipped its 2011 Vespa S 150, LX 150 and LXV 150 models with new 150cc electronic fuel-injected engines that are even more miserly at the gas pump than the previous generation.

Sure Sellers:

- Consumes 15 percent less fuel than its predecessor
- Wrings up to 85 miles out of each gallon of gas
- Provides stronger, smoother acceleration in stop-and-go traffic

Scooter Cover

Nelson-Rigg USA Inc.

Backed by a one-year, "no hassle" warranty, Nelson-Rigg's Scooter cover is made from a water-resistant and light weight Tri-Max polyester, with a non-scratch dura-soft backing for the ultimate protection.

Sure Sellers:

- Elastic hem gives the cover a nice snug fit while two security grommets located at the front and center of the cover will accommodate large locks or cables
- Comes packed in a matching carry bag for transporting or storage
- Available in two sizes to cover most any scooter

Retail Price: \$39.95
